About CBT College in Miami Florida

CBT College is a higher education & career education institution based in the city of Kendall, Florida and operating four more campuses in Greater Miami (Flagler Street area), Hialeah, West Kendall, and Cutler Bay areas. Nationally accredited by A.C.I.C.S., licensed by the Commission of Independent Education and certified by the U.S. Department of Education, CBT College seeks to provide affordable career training with a focus on technology & sciences to its community.

CBT focuses on offering education and true hands-on experience for students so that they can be fully trained and ready to work in their industry of choice. Today, CBT offers education in Business Administration, Computer and Information Technology, Allied Health, Graphic Design and Languages, all of which are instrumental in just about any career in any job market.

History of CBT College

CBT College was founded on October 19th of 1988 by Mr. Fernando and Gladys Llerena. Since then, the mission of the college has been that of reaching the community, by opening its doors to innumerable opportunities through high quality academic preparation in programs that are in direct connection with the current job market demands. [Learn more.](#)

Locations

CBT College is nationally accredited and is an internationally renowned College in the U.S. with five campuses throughout the Greater Miami area, the most populous city in Florida. Each of the College's campuses are only minutes away from Miami's famous sparkling white sandy beaches. [Learn more.](#)

Accreditation and Affiliations

CBT College is fully accredited by the Accrediting Council for Independent Colleges and Schools (ACICS). Credits may be transferable to other colleges and Universities using the Florida State Course Numbering System at the discretion of the receiving institution. [Learn more.](#)

Mission and Vision

CBT's mission is to prepare and graduate students with the highest moral, technical, and professional excellence who will build a better life for themselves, their families, and their community. [Learn more](#)

Why CBT College?

While our students are led to their successful careers, they are guided through their entire College education because at CBT College, our students, faculty and staff together are one united international family. [Learn more.](#)
